Important Notes on the Schedule

1. All timings and distances are approximate and indicative. Actual timings may vary with traffic, road and weather conditions and main temple darshan queue length.

2. The Srisailam highway passes through the Amrabad Tiger Reserve forest stretch, where night-time vehicle movement is typically restricted by the Forest Department (approximately 9:00 PM to 6:00 AM). The schedule is planned so the forest stretch is crossed in daylight; any delay in departing Srisailam may affect the arrival time at HITEX.
